6. Frequently Asked Questions (FAQs)

Q1: How do I know my exact size?

We use standard UK sizing charts. If you are unsure, send us a DM! We will provide a step-by-step measurement guide (bust/chest, waist, hips, sleeve length) so you or a local tailor can take your exact dimensions.

Q2: Can I bring or send my own fabric?

Yes! We accept "Bring Your Own Fabric" (BYOF) for bespoke tailoring services. Pricing will be discounted to cover tailoring and lining/finishing costs only.

Q3: Does the Adire bleed or fade when washed?

We use high-grade, pre-treated Adire. However, authentic hand-dyed textiles require delicate care:

- Hand wash in cold water with mild detergent.
- Do not bleach.
- Dry in the shade away from direct intense sunlight to preserve vibrancy.

Q4: Can I request alterations if my custom outfit doesn't fit?

Yes. If an outfit tailored using our provided measurement guide does not fit properly, we offer one complimentary alteration cycle. Simply notify us within 48 hours of receipt.

Q5: Do you take bulk orders for wedding parties or events (Aso Ebi)?

Yes! We offer group packages and discounts for wedding guests, bridal trains, and groomsmen. Please reach out at least 4 to 6 weeks in advance of your event date.
